

Know Your Words

Solve and identify the correct quotient, remainder, dividend, and divisor.

1

$$5 \overline{) 43}$$

Quotient =

Remainder =

Dividend =

Divisor =

2

$$5 \overline{) 30}$$

Quotient =

Remainder =

Dividend =

Divisor =

3

$$9 \overline{) 89}$$

Quotient =

Remainder =

Dividend =

Divisor =
