

# Standard Division Algorithm

Use the standard division algorithm to find the quotient and remainder.

1

$$9 \overline{) 90}$$

2

$$8 \overline{) 11}$$

3

$$7 \overline{) 39}$$

4

$$2 \overline{) 11}$$

5

$$6 \overline{) 23}$$

6

$$5 \overline{) 48}$$
